CloudEARTHi – pathways and methods

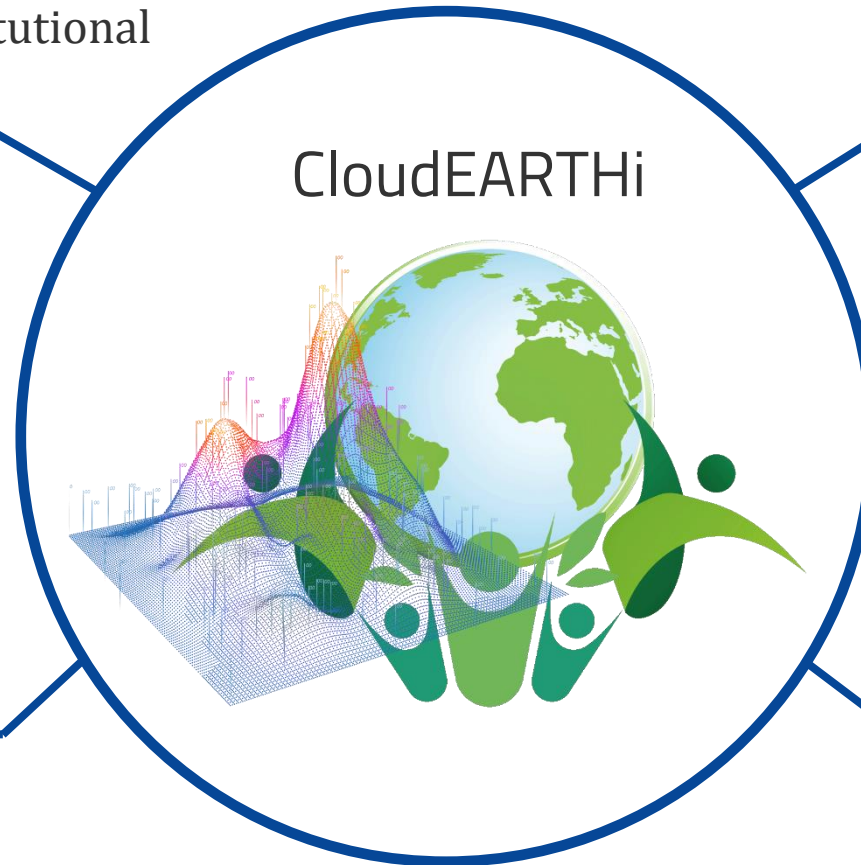

Innovation Vision Action Plan

Domain 1 – Fostering institutional engagement & change

Domain 2 – Strengthening partnerships
(knowledge triangle integration)

Domain 3 – Contribution to
developing innovations &
Businesses

Domain 4 – Enhancing the quality of
innovation & entrepreneurial education

Domain4: Develop new innovation & entrepreneurial courses and training programs

- > 800 students in a year
- > 100 academics and non-academic staff

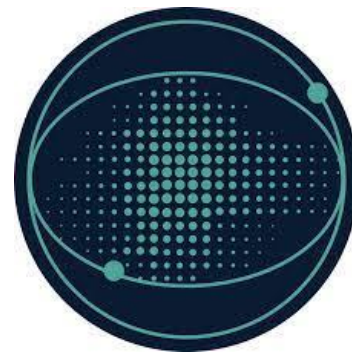

Basic knowledge – motivation – show success stories
– brainstorming – showing pathways

Domain 3 – Contribution to developing innovations & Businesses

Acceleration program

(led by G-Force & Edinburgh Innovations)

ORBIO EARTH

SmartHead

Acceleration program

Basic knowledge – motivation – show success stories
– brainstorming – showing pathways

Domain4: Develop new innovation & entrepreneurial courses and training programs

Domain3: Contribution to developing innovations & Businesses

Led by Edinburgh Innovations

EARTH

Centred Business Design

Acceleration program

EARTH Centred Business Design

Basic knowledge – motivation – show success stories
– brainstorming – showing pathways

Erasmus+

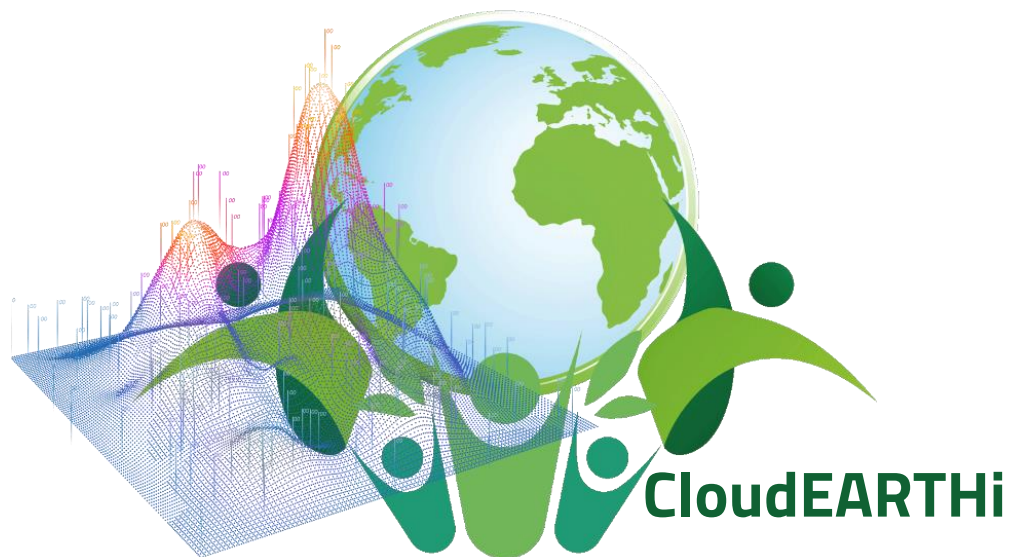

Funded by the European Union

Domain 1: Fostering institutional engagement & change

Led by FH-Burgenland, TUV & UA

3 physical innovation hubs

Acceleration program

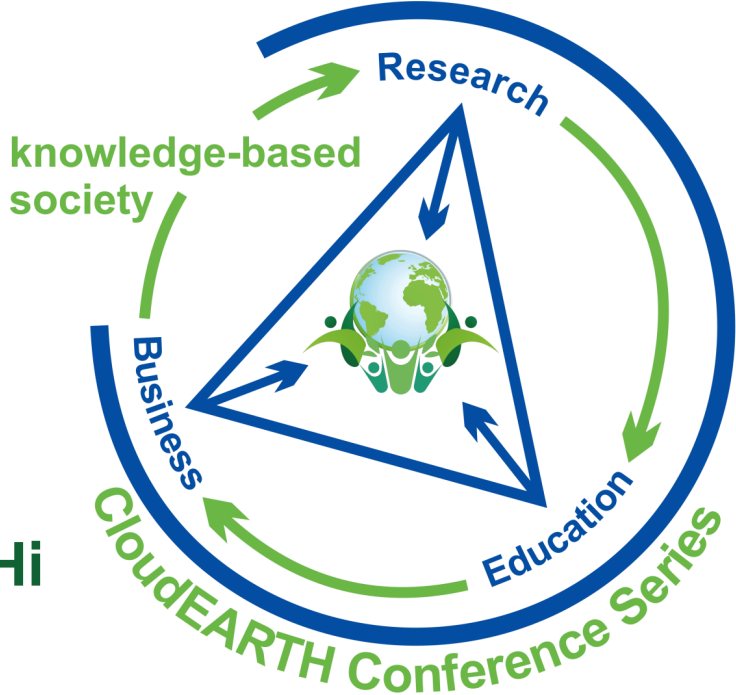

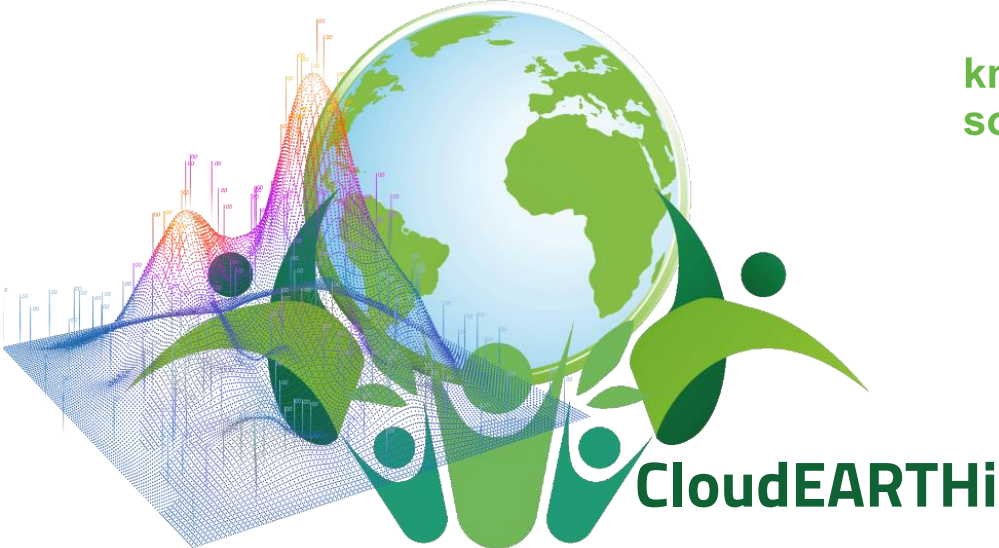

3 physical innovation hubs

EARTH Centred Business Design

Basic knowledge – motivation – show success stories – brainstorming – showing pathways

Domain1: Fostering institutional engagement & change
Domain2: Strengthening partnerships (knowledge triangle integration)

Led by UA

**CloudEARTHi
 Conference series**

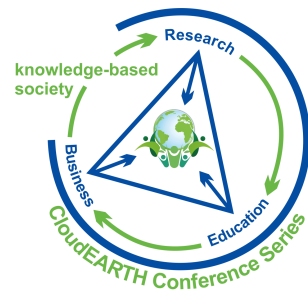

Toward a knowledge-based society
 Alicante, Spain - May 23rd to May 25th, 2023
 Hybrid event

- Acceleration program
- 3 physical innovation hubs
- EARTH Centred Business Design
- Basic knowledge – motivation – show success stories – brainstorming – showing pathways

Domain1: Fostering institutional engagement & change

Domain2: Strengthening partnerships (knowledge triangle integration)

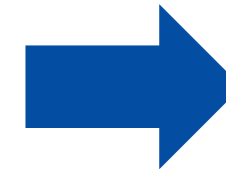

Led by UiT

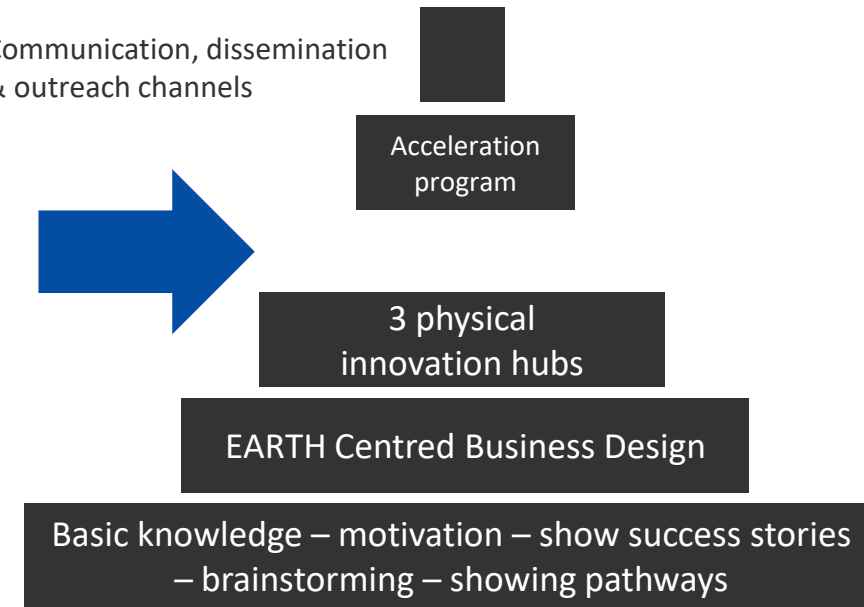

Interconnection between education, entrepreneurship, sustainability, and the green transition

SEEDplus

Communication, dissemination & outreach channels

Maximise the impact
